Madam,

I am writing in response to your advertisement. The position has been filled but I would be delighted to be of assistance. I have been a painter since I was 15. I am also a keen cook. I work as a painter afternoons so I don't have much use for mornings and evenings. I have some extra pocket money which could be much appreciated to attend to my garden's housekeeping. I enjoy helping out in the way although I currently live well. I don't see this as a problem because I am prompt and reliable, I also enjoy travelling. I am available from Thursday on wards. After that I am available to start work straight away. My phone number is 0205 205 205.

Yours faithfully,
John Doe
